INTERNSHIP CERTIFICATE

Dated: 07 Sep 26

TO WHOM IT MAY CONCERN

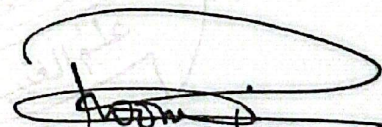

This is to certify that Ms **Tabinda Fashar Samar** has successfully completed a professional internship in Pakistan Navy Software Department from **01 Jul 26 to 31 Aug 26**.

During the internship, Tabinda gained practical experience in **Basic Software Development and Front-End Development**. As a part of her training, she was assigned a test project involving the front-end development of the PNCTA web portal, where she worked on user interface components, web page layouts, basic interactive elements, and overall front-end presentation.

Throughout the internship, dedication, professionalism, willingness to learn, and a positive attitude were demonstrated. Active participation in assigned tasks, responsiveness to feedback, and continuous improvement in technical and development skills were observed.

We appreciate the efforts and contribution during the internship and wish continued success and growth in future academic and professional endeavors.

Best Regards,
